what are the lyrics to hemorrhage (in my hands) by fuel MC

Here are the lyrics to the song Hemorrhage (In My Hands) by Fuel:

Memories are just where you laid them  
Drag the waters till the depths give up their dead  
What did you expect to find  
Was it something you left behind  
Don't you remember anything I said when I said

Don't fall away  
And leave me to myself  
Don't fall away  
And leave love bleeding in my hands, in my hands again

Leave love bleeding in my hands, in my hands  
Love lies bleeding

Oh, hold me now I feel contagious  
Am I the only place that you've left to go  
She cries her life is like  
Some movie black and white  
Dead actors faking lines  
Over and over and over again she cries

Don't fall away  
And leave me to myself  
Don't fall away  
And leave love bleeding in my hands, in my hands again

Leave love bleeding in my hands, in my hands  
Love lies bleeding

And I wanted you turned away  
You don't remember, but I do  
You never even tried

Don't fall away  
And leave me to myself  
Don't fall away  
And leave love bleeding in my hands, in my hands again

Leave love bleeding in my hands, in my hands  
Leave love bleeding in my hands, in my hands again

Leave love bleeding in my hands, in my hands

Love lies bleeding

what are the lyrics to you make lovin fun by fleetwood mac MC

Here are the lyrics to 'You Make Loving Fun' by Fleetwood Mac:

Sweet wonderful you  
You make me happy with the things you do  
Oh, can it be so  
This feeling follows me wherever I go

I never did believe in miracles  
But I've a feeling it's time to try  
I never did believe in the ways of magic  
But I'm beginning to wonder why

Don't, don't break the spell  
It would be different and you know it will  
You, you make loving fun  
And I don't have to tell you that you're the only one

You make lovin' fun  
(You make lovin' fun)  
It's all I want to do  
(It's all I want to do)  
You make lovin' fun  
(You make lovin' fun)  
It's all I want to do  
(It's all I want to do)

You, you make loving fun  
(You make lovin' fun)  
It's all I want to do  
(It's all I want to do)  
You make lovin' fun  
(You make lovin' fun)  
It's all I want to do  
(It's all I want to do)

You're the only one  
Who makes loving fun

what are the lyrics to and i love you so by perry como MC

The lyrics to the song 'And I Love You So' by Perry Como are:

And I love you so  
The people ask me how  
How I've lived till now  
I tell them I don't know

I guess they understand  
How lonely life has been  
But life began again  
The day you took my hand

And yes I know how lonely life can be  
The shadows follow me  
And the night won't set me free

But I don't let the evening get me down  
Now that you're around me

And you love me too  
Your thoughts are just for me  
You set my spirit free  
I'm happy that you do

The book of life is brief  
And once a page is read  
All but love is dead  
That is my belief

And yes I know how lonely life can be  
The shadows follow me  
And the night won't set me free

But I don't let the evening get me down  
Now that you're around me

And I love you so  
The people ask me how  
How I've lived till now  
I tell them I don't know

what are the lyrics to puttin' on the ritz by harry richman

MC

The lyrics to 'Puttin' on the Ritz' by Harry Richman are:

Have you seen the well-to-do  
Up and down Park Avenue  
On that famous thoroughfare  
With their noses in the air

High hats and arrow collars  
White spats and lots of dollars  
Spending every dime  
For a wonderful time

Now, if you're blue and you don't know  
Where to go to  
Why don't you go where fashion sits  
Puttin' on the Ritz

Spangled gowns upon the bevy  
Of high browns from down the levee  
All misfits  
Puttin' on the Ritz

That's where each and every Lulu-belle  
Goes every afternoon at four  
Rubbing elbows with a blue blood  
On a spree or three odd

Highly-polished  
Hats and stickpins  
Tailor-made, everything  
That's very swell

Come let's mix where Rockefellers  
Walk with sticks and umbrellas  
In their mitts  
Puttin' on the Ritz

what are the lyrics to copacabana by barry manilow MC

The lyrics to Copacabana by Barry Manilow are:

Her name was Lola, she was a showgirl  
With yellow feathers in her hair and a dress cut down to there  
She would merengue and do the cha-cha  
And while she tried to be a star, Tony always tended bar  
Across the crowded floor, they worked from 8 til 4  
They were young and they had each other  
Who could ask for more?

At the Copa (Copacabana)  
The hottest spot north of Havana  
At the Copa (Copacabana)  
Music and passion were always the fashion  
At the Copa....they fell in love

His name was Rico, he wore a diamond  
He was escorted to his chair, he saw Lola dancin' there  
And when she finished, he called her over  
But Rico went a bit too far, Tony sailed across the bar  
And then the punches flew and chairs were smashed in two  
There was blood and a single gun shot  
But just who shot who?

At the Copa (Copacabana)  
The hottest spot north of Havana  
At the Copa (Copacabana)  
Music and passion were always the fashion  
At the Copa....she lost her love

(repeats chorus)

Her name is Lola, she was a showgirl,  
But that was 30 years ago, when they used to have a show  
Now it's a disco, but not for Lola,  
Still in the dress she used to wear, faded feathers in her hair  
She sits there so refined, and drinks herself half-blind  
She lost her youth and she lost her Tony  
Now she's lost her mind!

At the Copa....Copacabana  
The hottest spot north of Havana  
At the Copa....Copacabana  
Music and passion were always the fashion  
At the Copa....don't fall in love

Don't fall in love

what are the lyrics to no more sorrow by linkin park MC

The lyrics to the song "No More Sorrow" by Linkin Park are:

Are you lost  
In your lies  
Do you tell yourself  
I don't realize  
Your crusade's a disguise  
Replaced freedom with fear  
You trade money for lives  
  
I'm aware of what you've done  
  
No, no more sorrow  
I've paid for your mistakes  
Your time is borrowed  
Your time has come to be replaced

I see pain  
I see need  
I see liars  
And thieves  
Abuse power  
With greed

I'm aware of what you've done  
No, no more sorrow

I've paid for your mistakes  
Your time is borrowed  
Your time has come to be replaced

Thieves and hypocrites  
Thieves and hypocrites  
Thieves and hypocrites

No more sorrow  
No more sorrow  
No more sorrow  
No more sorrow  
  
I've paid for your mistakes  
Your time is borrowed  
Your time has come to be replaced

what are the lyrics to california dreamin' by the mamas and the papas MC

The lyrics to California Dreamin' by The Mamas and The Papas are:

All the leaves are brown  
And the sky is gray  
I've been for a walk  
On a winter's day  
I'd be safe and warm  
If I was in L.A.  
California dreamin'  
On such a winter's day

Stopped in to a church  
I passed along the way  
Well I got down on my knees  
And I pretend to pray  
You know the preacher liked the cold  
He knows I'm gonna stay  
California dreamin'  
On such a winter's day

All the leaves are brown  
And the sky is gray  
I've been for a walk  
On a winter's day  
If I didn't tell her  
I could leave today  
California dreamin'  
On such a winter's day

California dreamin'  
On such a winter's day  
California dreamin'  
On such a winter's day

soon hit the harder stuff \nEverybody said they'd stand behind me \nWhen the game got rough

what are the lyrics to little lies by fleetwood mac MC

The lyrics to Little Lies by Fleetwood Mac are:

Verse 1:  
If I could turn the page  
In time then I'd rearrange  
Just a day or two  
Close my, close my, close my eyes

Chorus:  
But I can't find a way  
So I'll settle for one day  
To believe in this living  
Just little lies, just little lies

Verse 2:  
Tell me lies, tell me sweet little lies  
(Tell me lies, tell me, tell me lies)  
Oh, no, no you can't disguise  
(You can't disguise, no you can't disguise)

Chorus:  
Tell me lies  
Tell me sweet little lies

Bridge:  
Although I'm not making plans  
I hope that you understand there's a reason why  
Close your, close your, close your eyes

Chorus:  
No more broken hearts  
We're better off apart  
Let's give it a try  
Tell me, tell me, tell me lies

Outro:  
Tell me lies  
Tell me sweet little lies

The song was written by Christine McVie and Robbie Patton, and released in 1987. It's one of Fleetwood Mac's most well-known and loved songs.

what are the lyrics to shambala by three dog night

MC

The lyrics to Shambala by Three Dog Night are:

Wash away my troubles, wash away my pain  
With the rain in Shambala  
Wash away my sorrow, wash away my shame  
With the rain in Shambala

Yeah, yeah, yeah, yeah, yeah, yeah

Everyone is helpful, everyone is kind  
On the road to Shambala  
Everyone is lucky, everyone is so kind  
On the road to Shambala

How does your light shine, in the halls of Shambala  
I can tell my sister by the flowers in her eyes  
On the road to Shambala

I can tell my brother by the flowers in his eyes  
On the road to Shambala

Yeah, yeah, yeah, yeah, yeah, yeah

Wash away my troubles, wash away my pain  
With the rain in Shambala  
Wash away my sorrow, wash away my shame  
With the rain in Shambala

Hey-o, hey-o, hey, oh, the road to Shambala  
Hey-o, hey-o, hey, oh, the road to Shambala  
(Repeat)

Everybody , don't you know that's it's true?  
That's the road to Shambala.

what are the lyrics to sweet caroline by neil diamond MC

The lyrics to Sweet Caroline by Neil Diamond are:

Where it began,  
I can't begin to knowin'  
But then I know it's growing strong  
Was in the spring  
And spring became the summer  
Who'd have believed you'd come along

Hands, touchin' hands  
Reachin' out, touchin' me, touchin' you

Sweet Caroline  
Good times never seemed so good  
I've been inclined  
To believe they never would  
But now I

Look at the night and it don't seem so lonely  
We filled it up with only two  
And when I hurt  
Hurtin' runs off my shoulders  
How can I hurt when holdin' you

Warm, touchin' warm  
Reachin' out, touchin' me, touchin' you

Sweet Caroline  
Good times never seemed so good  
I've been inclined  
To believe they never would  
Oh, no, no

Sweet Caroline  
Good times never seemed so good  
Sweet Caroline  
I believed they never could  
Sweet Caroline  
Good times never seemed so good

what are the lyrics to because i got high by afroman

MC

The lyrics to Because I Got High by Afroman are:

I was gonna clean my room until I got high  
I was gonna get up and find the broom but then I got high  
My room is still messed up and I know why  
'Cause I got high  
Because I got high  
Because I got high

I was gonna go to class before I got high  
I coulda cheated and I coulda passed but I got high  
I'm taking it next semester and I know why  
'Cause I got high  
Because I got high  
Because I got high

I was gonna go to work but then I got high  
I just got a new promotion but I got high  
Now I'm selling dope and I know why  
'Cause I got high  
Because I got high  
Because I got high

I was gonna go to court before I got high  
I was gonna pay my child support but then I got high  
They took my whole paycheck and I know why  
'Cause I got high  
Because I got high  
Because I got high

I wasn't gonna run from the cops but I was high  
I was gonna pull right over and stop but I was high  
Now I am a paraplegic and I know why  
'Cause I got high  
Because I got high  
Because I got high

I was gonna pay my car note until I got high  
I was gonna gamble on the boat but then I got high  
Now the tow truck is pulling away and I know why  
'Cause I got high  
Because I got high  
Because I got high

I was gonna make love to you but then I got high  
I was gonna eat your pussy too but then I got high  
Now I'm jacking off and I know why  
'Cause I got high  
Because I got high  
Because I got high

I messed up my entire life because I got high  
I messed up my entire life because I got high  
I messed up my entire life because I got high

what are the lyrics to you ain't goin' nowhere by the byrds MC

Here are the lyrics to "You Ain't Goin' Nowhere" by The Byrds:

Clouds so swift  
Rain won't lift  
Gate won't close  
Railings froze  
Get your mind off wintertime  
You ain't goin' nowhere

Whoo-ee! Ride me high  
Tomorrow's the day  
My bride's gonna come  
Oh, oh, are we gonna fly  
Down in the easy chair!

I don't care  
How many letters  
They sent  
Morning came and morning went  
Pick up your money  
And pack up your tent  
You ain't goin' nowhere

Whoo-ee! Ride me high

Tomorrow's the day  
My bride's gonna come  
Oh, oh, are we gonna fly  
Down in the easy chair!

Buy me a flute  
And a gun that shoots  
Tailgates and substitutes

Strap yourself  
To the tree with roots  
You ain't goin' nowhere

Whoo-ee! Ride me high

Tomorrow's the day  
My bride's gonna come  
Oh, oh, are we gonna fly  
Down in the easy chair!

Genghis Khan  
He could not keep  
All his kings  
Supplied with sleep  
We'll climb that hill no matter how steep  
When we get up to it

Whoo-ee! Ride me high

what are the lyrics to never been to spain by three dog night MC

The lyrics to the song "Never Been to Spain" by Three Dog Night are:

Well, I've never been to Spain  
But I kinda like the music  
Say the ladies are insane there  
And they sure know how to use it

They don't abuse it  
Never gonna lose it  
I can't refuse it

Well, I've never been to heaven  
But I've been to Oklahoma  
Well, they tell me I was born there  
But I really don't remember  
In Oklahoma, not Arizona  
What does it matter  
What does it matter

Well, I've never been to heaven  
But I've been to Oklahoma  
Well, they tell me I was born there  
But I really don't remember  
In Oklahoma, not Arizona  
What does it matter  
What does it matter

La la la, la la la, la la la, la la la  
La la la la la la la, la la la la la la  
La la la, la la la, la la la, la la la

what are the lyrics to achy breaky heart by billy ray cyrus MC

The lyrics to Achy Breaky Heart by Billy Ray Cyrus are:

You can tell the world you never was my girl  
You can burn my clothes up when I'm gone  
You can tell your friends just what a fool I've been  
And laugh and joke about me on the phone

You can tell my arms go back to the farm  
You can tell my feet to hit the floor  
Or you can tell my lips to tell my fingertips  
They won't be reaching out for you no more

But don't tell my heart, my achy breaky heart  
I just don't think it'd understand  
And if you tell my heart, my achy breaky heart  
He might blow up and kill this man

You can tell your ma I moved to Arkansas

You can tell your dog to bite my leg  
You can tell your brother Cliff whose fist can tell my lips  
He never really loved me anyway

Go tell your aunt Louise, tell anything you please  
Myself already knows I'm not okay  
Or you can tell my eyes to watch out for my mind  
It might be walking out the door someday

But don't tell my heart, my achy breaky heart  
I just don't think it'd understand  
And if you tell my heart, my achy breaky heart  
He might blow up and kill this man

But don't tell my heart, my achy breaky heart  
I just don't think it'd understand  
And if you tell my heart, my achy breaky heart  
He might blow up and kill this man

Don't tell my heart, my achy breaky heart  
He might blow up, he might blow up and kill this man

what are the lyrics to i will wait by mumford & sons MC

Here are the lyrics to the song I Will Wait by Mumford & Sons:

Well I came home  
Like a stone  
And I fell heavy into your arms  
These days of dust  
Which we've known  
Will blow away with this new sun  
  
But I'll kneel down,  
Wait for now  
And I'll kneel down,  
Know my ground  
  
And I will wait, I will wait for you  
And I will wait, I will wait for you  
  
So break my step  
And relent  
You forgave and I won't forget  
Know what we've seen  
And him with less  
Now in some way shake the excess  
  
'Cause I will wait, I will wait for you  
And I will wait, I will wait for you  
And I will wait, I will wait for you  
And I will wait, I will wait for you  
  
Now I'll be bold  
As well as strong  
And use my head alongside my heart  
So tame my flesh  
And fix my eyes  
A tethered mind freed from the lies  
  
And I'll kneel down,  
Wait for now  
I'll kneel down,  
Know my ground  
  
Raise my hands  
Paint my spirit gold  
And bow my head  
Keep my heart slow  
  
'Cause I will wait, I will wait for you  
And I will wait, I will wait for you  
And I will wait, I will wait for you  
And I will wait, I will wait for you

what are the lyrics to yellow by coldplay MC

The lyrics to the song Yellow by Coldplay are:

Look at the stars,  
Look how they shine for you,  
And everything you do,  
Yeah, they were all yellow.

I came along,  
I wrote a song for you,  
And all the things you do,  
And it was called yellow.

So then I took my turn,  
Oh what a thing to have done,  
And it was all yellow.

Your skin Oh yeah your skin and bones,  
Turn into something beautiful,  
You know you know I love you so,  
You know I love you so.

I swam across,  
I jumped across for you,  
Oh what a thing to do.  
Cause you were all yellow,

I drew a line,  
I drew a line for you,  
Oh what a thing to do,  
And it was all yellow.

Your skin, Oh yeah your skin and bones,  
Turn into something beautiful,  
And you know,  
For you I'd bleed myself dry,  
For you I'd bleed myself dry.

It's true, look how they shine for you,  
Look how they shine for you,  
Look how they shine for you,  
Look how they shine for you,  
Look how they shine.

Look at the stars,  
Look how they shine for you,  
And all the things that you do.

what are the lyrics to when i'm gone by 3 doors down

MC

Here are the lyrics to the song When I'm Gone by 3 Doors Down:

There's another world inside of me  
That you may never see  
There're secrets in this life  
That I can't hide

Somewhere in this darkness  
There's a light that I can't find  
Maybe it's too far away...  
Or maybe I'm just blind...

Or maybe I'm just blind...

So hold me when I'm here  
Right me when I'm wrong  
Hold me when I'm scared  
And love me when I'm gone

Everything I am  
And everything in me  
Wants to be the one  
You wanted me to be

I'll never let you down  
Even if I could  
I'd give up everything  
If only for your good

So hold me when I'm here  
Right me when I'm wrong

Hold me when I'm scared  
You won't always be there  
So love me when I'm gone...

Love me when I'm gone...

When your education X-Ray  
Cannot see under my skin  
I won't tell you a damn thing  
That I could not tell my friends

Roaming through this darkness  
I'm alive but I'm alone  
Part of me is fighting this  
But part of me is gone

So hold me when I'm here  
Right me when I'm wrong

Hold me when I'm scared  
You won't always be there

what are the lyrics to and i am telling you i'm not going by jennifer holliday MC

The lyrics to the song 'And I Am Telling You I'm Not Going' by Jennifer Holliday are:

And I am telling you  
I'm not going.  
You're the best man I'll ever know.  
There's no way I can ever go,  
No, no, there's no way,  
No, no, no, no way I'm living without you.

I'm not living without you.  
I don't wanna be free.  
I'm staying, I'm staying,  
And you, you're gonna love me.

You're gonna love me.  
Yes you are,  
Ooh you're gonna love me.

And I am telling you I'm not going.  
Even though the rough times are showing.  
There's just no way, there's no way.  
We're part of the same place.

We're part of the same time.  
We both share the same bloodline.  
There's no way I can ever, ever go,  
No, no, no, no way I'm living without you.

I'm not living without you.  
You see, I don't wanna be free.  
I'm staying, I'm staying,  
And you, and you, you're gonna love me.

You're gonna love me.  
Yes you are.  
Ooh you're gonna love me.

what are the lyrics to desolation row by bob dylan MC

Here are the lyrics to Bob Dylan's "Desolation Row":

They're selling postcards of the hanging  
They're painting the passports brown  
The beauty parlor is filled with sailors  
The circus is in town

Here comes the blind commissioner  
They've got him in a trance  
One hand is tied to the tight-rope walker  
The other is in his pants

And the riot squad they're restless  
They need somewhere to go  
As Lady and I look out tonight  
From Desolation Row

Cinderella, she seems so easy  
"It takes one to know one," she smiles  
And puts her hands in her back pockets  
Bette Davis style

And in comes Romeo, he's moaning  
"You Belong to Me I Believe"  
And someone says, "You're in the wrong place my friend  
You better leave"

And the only sound that's left  
After the ambulances go  
Is Cinderella sweeping up  
On Desolation Row

Now the moon is almost hidden  
The stars are beginning to hide  
The fortune-telling lady  
Has even taken all her things inside

All except for Cain and Abel  
And the hunchback of Notre Dame  
Everybody is making love  
Or else expecting rain

And the Good Samaritan, he's dressing  
He's getting ready for the show  
He's going to the carnival  
On Desolation Row

Ophelia, she's 'neath the window  
For her I feel so afraid  
On her twenty-second birthday  
She already is an old maid

To her, death is quite romantic

what are the lyrics to somewhere only we know by keane MC

Here are the lyrics to "Somewhere Only We Know" by Keane:

I walked across  
An empty land  
I knew the pathway  
Like the back of my hand

I felt the earth  
Beneath my feet  
Sat by the river  
And it made me complete

Oh simple thing, where have you gone?  
I'm getting old and I need something to rely on  
So tell me when you're gonna let me in  
I'm getting tired and I need somewhere to begin

I came across  
A fallen tree  
I felt the branches  
Of it looking at me

Is this the place  
We used to love?  
Is this the place  
That I've been dreaming of?

Oh simple thing, where have you gone?  
I'm getting old and I need something to rely on  
So tell me when you're gonna let me in  
I'm getting tired and I need somewhere to begin

And if you have a minute, why don't we go  
Talk about it somewhere only we know?  
This could be the end of everything  
So why don't we go  
Somewhere only we know?

Oh simple thing, where have you gone?  
I'm getting old and I need something to rely on  
So tell me when you're gonna let me in  
I'm getting tired and I need somewhere to begin

And if you have a minute, why don't we go  
Talk about it somewhere only we know?  
This could be the end of everything  
So why don't we go  
So why don't we go

what are the lyrics to lightning crashes by live

MC

The lyrics to the song Lightning Crashes by Live are:

Lightning crashes, a new mother cries  
Her placenta falls to the floor  
The angel opens her eyes  
The confusion sets in  
Before the doctor can even close the door

Lightning crashes, an old mother dies  
Her intentions fall to the floor  
The angel closes her eyes  
The confusion that was hers  
Belongs now, to the baby down the hall

Oh, I can feel it  
Coming back again  
Like a roll of thunder chasing the wind  
Forces pulling from the center of the earth again  
I can feel it.

Lightning crashes, a new mother cries  
This moment she's been waiting for  
The angel opens her eyes  
Pale blue colored iris,  
Presents the circle  
And puts the glory out to hide, hide

Oh, I can feel it  
Coming back again  
Like a roll of thunder chasing the wind

Forces pulling from the center of the earth again  
I can feel it.

I can feel it coming back again  
Like a roll of thunder chasing the wind  
Forces pulling from the center of the earth again  
I can feel it.

Lightning crashes, an old mother dies  
Her intentions fall to the floor  
The angel closes her eyes  
The confusion that was hers belongs now, to the baby down the hall

Oh I can feel it coming back again  
Like a roll of thunder chasing the wind  
Forces pulling from the center of the earth again  
I can feel it.

what are the lyrics to uninited by alanis morissette MC

Here are the lyrics to the song Uninvited by Alanis Morissette:

Like anyone would be  
I am flattered by your fascination with me  
Like any hot-blooded woman  
I have simply wanted an object to crave  
But you you're not allowed  
You're uninvited  
An unfortunate slight

Must be strangely exciting  
To watch the stoic squirm  
Must be somewhat heartening  
To watch shepherd need shepherd  
But you you're not allowed  
You're uninvited  
An unfortunate slight

Like any uncharted territory  
I must seem greatly intriguing  
You speak of my love like  
You have experienced love like mine before  
But this is not allowed  
You're uninvited  
An unfortunate slight

I don't think you unworthy  
I need a moment to deliberate

what are the lyrics to rainy days and mondays by the carpenters

MC

The lyrics to Rainy Days and Mondays by The Carpenters are:

Talkin' to myself and feelin' old  
Sometimes I'd like to quit  
Nothing ever seems to fit  
Hangin' around, nothing to do but frown  
Rainy days and Mondays always get me down

What I've got they used to call the blues  
Nothin' is really wrong  
Feelin' like I don't belong  
Walkin' around, some kind of lonely clown  
Rainy days and Mondays always get me down

Funny, but it seems I always wind up here with you  
Nice to know somebody's cares  
Funny, but it seems that it's the only thing to do  
Run and find the one who loves me

(Repeat Chorus)

Hangin' around, nothing to do but frown  
Rainy days and Mondays always get me down

Hangin' around, nothing to do but frown  
Rainy days and Mondays always get me down

what are the lyrics to easier to run by linkin park MC

Here are the lyrics to the song "Easier to Run" by Linkin Park:

It's easier to run  
Replacing this pain with something numb  
It's so much easier to go  
Than face all this pain here all alone

Something has been taken from deep inside of me  
The secret I've kept locked away no one can ever see  
Wounds so deep they never show  
They never go away  
Like moving pictures in my head  
For years and years they've played

(Chorus)  
It's easier to run  
Replacing this pain with something numb  
It's so much easier to go  
Than face all this pain here all alone

Sometimes I remember the darkness of my past  
Bringing back these memories I wish I didn't have  
Sometimes I think of letting go and never looking back  
And never moving forward so there'd never be a past

(Chorus)  
It's easier to run  
Replacing this pain with something numb  
It's so much easier to go  
Than face all this pain here all alone

Just washing it aside  
All of the helplessness inside  
Pretending I don't feel misplaced  
It's so much simpler than change

(Chorus)  
It's easier to run  
Replacing this pain with something numb  
It's so much easier to go  
Than face all this pain here all alone

It's easier to run  
It's easier to run

what are the lyrics to ocean avenue by yellowcard

MC

The lyrics to Ocean Avenue by Yellowcard are:

There's a place off Ocean Avenue  
Where I used to sit and talk with you  
We were both 16 and it felt so right  
Sleeping all day, staying up all night  
Staying up all night

There's a place on the corner of Cherry Street  
We would walk on the beach in our bare feet  
We were both 18 and it felt so right  
Sleeping all day, staying up all night  
Staying up all night

If I could find you now,  
Things would get better.  
We could leave this town,  
And run forever.  
Let your waves crash down on me,  
And take me away.

There's a piece of you that's here with me,  
It's everywhere I go, it's everything I see  
When I sleep, I dream and it gets me by,  
I can make believe you're here tonight  
You're here tonight

If I could find you now,  
  
Things would get better,  
We could leave this town,

And run forever,  
I know somewhere, somehow, we'll be together.  
Let your waves crash down on me,  
And take me away.

I remember the look in your eyes,  
When I told you that this was goodbye  
You were begging me not tonight,  
Not here, not now  
We're looking up at the same night sky  
And keep pretending the sun will not rise  
We'll be together for one more night,  
Somewhere, somehow

If I could find you now,  
Things would get better.  
We could leave this town,  
And run forever.  
I know somewhere, somehow, we'll be together.  
Let your waves crash down on me,

what are the lyrics to faint by linkin park

MC

The lyrics to the song Faint by Linkin Park are:

I am a little bit of loneliness, a little bit of disregard  
Handful of complaints but I can't help the fact  
That everyone can see these scars  
I am what I want you to want, what I want you to feel  
But it's like no matter what I do, I can't convince you  
To just believe this is real

So I let go, watching you, turn your back like you always do  
Face away and pretend that I'm not  
But I'll be here cause you're all that I've got

I can't feel the way I did before  
Don't turn your back on me  
I won't be ignored  
Time won't heal this damage anymore  
Don't turn your back on me  
I won't be ignored

I am a little bit insecure, a little unconfident  
Cause you don't understand I do what I can  
But sometimes I don't make sense  
I am what you never wanna say, but I've never had a doubt  
It's like no matter what I do I can't convince you  
For once just to hear me out

So I let go watching you turn your back like you always do  
Face away and pretend that I'm not  
But I'll be here cause you're all that I've got

I can't feel the way I did before  
Don't turn your back on me

I won't be ignored  
Time won't heal this damage anymore

Don't turn your back on me  
I won't be ignored

what are the lyrics to hurricane by 30 seconds to mars

MC

Here are the lyrics to the song Hurricane by 30 Seconds to Mars:

No matter how many times that you told me you wanted to leave  
No matter how many breaths that you took, you still couldn't breathe  
No matter how many nights that you'd lie wide awake to the sound of the poison rain  
Where did you go? Where did you go? Where did you go?  
As days go by, the night's on fire

Tell me would you kill to save a life?  
Tell me would you kill to prove you're right?  
Crash, crash, burn, let it all burn  
This hurricane's chasing us all underground

No matter how many deaths that I die I will never forget  
No matter how many lives that I live, I will never regret  
There is a fire inside of this heart and a riot about to explode into flames  
Where is your God? Where is your God? Where is your God?

Do you really want... Do you really want me?  
Do you really want me dead or alive to torture for my sins?  
Do you really want... Do you really want me?  
Do you really want me dead or alive to live a lie?

Tell me would you kill to save a life?  
Tell me would you kill to prove you're right?  
Crash, crash, burn, let it all burn  
This hurricane's chasing us all underground

The promises we made were not enough  
The prayers that we had prayed were like a drug  
The secrets that we sold were never known  
The love we had, the love we had, we had to let it go

Tell me would you kill to save a life?  
Tell me would you kill to prove you're right?  
Crash, crash, burn, let it all burn  
This hurricane's chasing us all underground

All American Rejects Lyrics: Move Along

Edit chat

what are the lyrics to move along by the all American rejects

MC

Here are the lyrics to Move Along by The All-American Rejects:

Go ahead as you waste your days with thinking  
When you fall everyone stands  
Another day and you've had your fill of sinking  
With the life held in your  
Hands are shaking cold  
These hands are meant to hold

Speak to me, when all you got to keep is strong  
Move along, move along like I know you do  
And even when your hope is gone  
Move along, move along just to make it through  
Move along  
Move along

So a day when you've lost yourself completely  
Could be a night when your life ends  
Such a heart that will lead you to deceiving  
All the pain held in your  
Hands are shaking cold  
Your hands are mine to hold

Speak to me, when all you got to keep is strong  
Move along, move along like I know you do  
And even when your hope is gone  
Move along, move along just to make it through  
Move along  
(Go on, go on, go on, go on)

When everything is wrong, we move along  
(Go on, go on, go on, go on)  
When everything is wrong, we move along  
Along, along, along

Speak to me, when all you got to keep is strong  
Move along, move along like I know you do

And even when your hope is gone  
Move along, move along just to make it through

(Go on, go on, go on, go on)  
Right back what is wrong  
We move along

what are the lyrics to love is all around by the troggs MC

The lyrics to the song 'Love is All Around' by The Troggs are:

I feel it in my fingers,  
I feel it in my toes.  
Love is all around me,  
And so the feeling grows.

It's written on the wind,  
It's everywhere I go.  
So if you really love me,  
Come on and let it show.

You know I love you, I always will,  
My mind's made up by the way that I feel.  
There's no beginning, there'll be no end,  
'Cause on my love you can depend.

I see your face before me,  
As I lay on my bed.  
I kinda get to thinking,  
Of all the things you said.

You gave your promise to me,  
And I gave mine to you.  
I need someone beside me,  
In everything I do.

You know I love you, I always will,  
My mind's made up by the way that I feel.  
There's no beginning, there'll be no end,  
'Cause on my love you can depend.

It's written on the wind,  
It's everywhere I go.  
So if you really love me,  
Come on and let it show.

Come on and let it show.  
Come on and let it show.  
Come on and let it show.

what are the lyrics to no light, no light by florence and the machine MC

The lyrics to the song 'No Light, No Light' by Florence and the Machine are:

Verse 1:  
You are the hole in my head  
You are the space in my bed  
You are the silence in between  
What I thought and what I said

Chorus:  
You are the night time fear  
You are the morning when it's clear  
When it's over you'll start  
You're my head, you're my heart

Verse 2:  
No light, no light in your bright blue eyes  
I never knew daylight could be so violent  
A revelation in the light of day  
You can't chose what stays and what fades away

Chorus:  
And I'd do anything to make you stay  
No light, no light  
No light  
Tell me what you want me to say

Bridge:  
Through the crowd, I was crying out  
And in your place there were a thousand other faces  
I was disappearing in plain sight  
Heaven help me, I need to make it right

Chorus:  
You are the night time fear  
You are the morning when it's clear  
When it's over you'll start  
You're my head, you're my heart

No light, no light in your bright blue eyes  
I never knew daylight could be so violent

A revelation in the light of day  
You can't chose what stays and what fades away

And I'd do anything to make you stay  
No light, no light  
No light  
Tell me what you want me to say

what are the lyrics to points of authority by linkin park MC

Here are the lyrics to Points of Authority by Linkin Park:

Forfeit the game,  
Before somebody else  
Takes you out of the frame,  
Puts your name to shame,  
Cover up your face,  
You can't run the race,  
The pace is too fast,  
You just won't last.

You love the way,  
I look at you,  
While taking pleasure in the awful things you put me through,  
You take away if I give in,  
My life, my pride is broken.

You like to think you're never wrong,  
(You live what you've learned)  
You have to act like you're someone,  
(You live what you've learned)  
You want someone to hurt like you,  
(You live what you've learned)  
You wanna share what you've been through.

(You like to think you're never wrong,  
(You live what you've learned)  
You have to act like you're someone,  
(You live what you've learned) )

You love the things,  
I say I'll do,  
The way I hurt myself again,  
Just to get back at you.  
You take away when I give in,  
My life, my pride is broken.

You like to think you're never wrong,  
  
(You live what you've learned)  
You have to act like you're someone,  
(You live what you've learned)  
You want someone to hurt like you,  
(You live what you've learned)  
You wanna share what you've been through.

what are the lyrics to songbird by fleetwood mac

MC

The lyrics to Songbird by Fleetwood Mac are:

For you, there'll be no more crying,  
For you, the sun will be shining,  
And I feel that when I'm with you,  
It's alright, I know it's right.

To you, I'll give the world,  
To you, I'll never be cold,  
'Cause I feel that when I'm with you,  
It's alright, I know it's right.

And the songbirds are singing,  
Like they know the score,  
And I love you, I love you, I love you,  
Like never before.

And I wish you all the love in the world,  
But most of all, I wish it from myself.

And the songbirds keep singing,  
Like they know the score,  
And I love you, I love you, I love you,  
Like never before, like never before.

what are the lyrics to remember the name by fort minor

MC

The lyrics to 'Remember The Name' by Fort Minor are:

[Verse 1]  
You ready?! Let's go!  
Yeah, for those of you that want to know what we're all about  
It's like this y'all (c'mon!)  
This is ten percent luck, twenty percent skill  
Fifteen percent concentrated power of will  
Five percent pleasure, fifty percent pain  
And a hundred percent reason to remember the name!

[Chorus]  
Mike! - He doesn't need his name up in lights  
He just wants to be heard whether it's the beat or the mic  
He feels so unlike everybody else, alone  
In spite of the fact that some people still think that they know him  
But fuck em, he knows the code  
It's not about the salary  
It's all about reality and making some noise  
Makin the story - makin sure his clique stays up  
That means when he puts it down Tak's pickin it up! Let's go!

[Verse 2]  
Who the hell is he anyway?  
He never really talks much  
Never concerned with status but still leavin' them star struck  
Humbled through opportunities given despite the fact  
That many misjudge him because he makes a living from writin raps  
Put it together himself, now the picture connects  
Never askin for someone's help, or to get some respect  
He's only focused on what he wrote, his will is beyond reach  
And now when it all unfolds, the skill of an artist

[Chorus]  
This is twenty percent skill, eighty percent fear  
Be a hundred percent clear cause Ryu is ill  
Who would've thought that he'd be the one to set the west in flames  
Then I heard him wreckin with The Crystal Method, "Name Of The Game"  
Came back dropped Megadef, took em to church  
I like bleach, man, Ryu had the stupidest verse  
This dude is the truth, now everybody be givin him guest spots  
His stock's through the roof I heard he fu\*\*in' with S. Dot!

[Outro]  
They call him Ryu The Sick  
And he's spittin' fire with Mike  
Got him out the dryer he's hot  
Found him in Fort Minor with Tak  
What a fuckin' nihilistic combo

\nProud 'neath heated brow. \nAh, but I was so much older then, \nI'm younger than that now.
\n\nHalf-wracked prejudice leaped forth \n\n\"Rip down all hate,\" I screamed \nLies that life

threats \nToo noble to neglect \nDeceived me into thinking \nI had something to protect

what are the lyrics to one step closer by linkin park MC

Here are the lyrics to One Step Closer by Linkin Park:

I cannot take this anymore  
Saying everything I've said before  
All these words they make no sense  
I find bliss in ignorance  
Less I hear the less you'll say  
You'll find that out anyway

Just like before...

Everything you say to me  
Takes me one step closer to the edge  
And I'm about to break  
I need a little room to breathe  
Cause I'm one step closer to the edge  
And I'm about to break

I find the answers aren't so clear  
Wish I could find a way to disappear  
All these thoughts they make no sense  
I find bliss in ignorance  
Nothing seems to go away  
Over and over again

Just like before...

Everything you say to me  
Takes me one step closer to the edge  
And I'm about to break  
I need a little room to breathe  
Cause I'm one step closer to the edge  
And I'm about to break

Shut up when I'm talking to you  
Shut up, shut up, shut up  
Shut up when I'm talking to you  
Shut up, shut up, shut up  
Shut up, I'm about to break!

Everything you say to me  
Takes me one step closer to the edge  
And I'm about to break  
I need a little room to breathe  
Cause I'm one step closer to the edge  
And I'm about to break

what are the lyrics to highway 61 revisited by bob dylan

MC

Here are the lyrics to Bob Dylan's Highway 61 Revisited:

Oh God said to Abraham, "Kill me a son"  
Abe says, "Man, you must be puttin' me on"  
God say, "No." Abe say, "What ?"  
God say, "You can do what you want Abe, but  
The next time you see me comin' you better run"  
Well Abe says, "Where do you want this killin' done ?"  
God says, "Out on Highway 61."

Well Georgia Sam he had a bloody nose  
Welfare Department they wouldn't give him no clothes  
He asked poor Howard where can I go  
Howard said there's only one place I know  
Sam said tell me quick man I got to run  
OI' Howard just pointed with his gun  
And said that way down on Highway 61.

Well Mack the Finger said to Louie the King  
I got forty red white and blue shoestrings  
And a thousand telephones that don't ring  
Do you know where I can get rid of these things  
And Louie the King said let me think for a minute son  
And he said yes, I think it can be done  
Just take everything down to Highway 61.

Now the rovin' gambler he was very bored  
He was tryin' to create a next world war  
He found a promoter who nearly fell off the floor  
He said I never engaged in this kind of thing before  
But yes, I think it can be very easily done  
We'll just put some bleachers out in the sun  
And have it on Highway 61.

what are the lyrics to monday monday by the mamas and the papas

MC

The lyrics to Monday, Monday by The Mamas & The Papas are:

Monday, Monday, so good to me,  
Monday mornin', it was all I hoped it would be  
Oh Monday mornin', Monday mornin' couldn't guarantee  
That Monday evenin' you would still be here with me  
  
Monday, Monday, can't trust that day,  
Monday, Monday, sometimes it just turns out that way  
Oh Monday mornin' you gave me no warnin' of what was to be  
Oh Monday, Monday, how could you leave and not take me  
  
Every other day, every other day,  
Every other day of the week is fine, yeah  
But whenever Monday comes, but whenever Monday comes  
You can find me cryin' all of the time  
  
Monday, Monday, so good to me,  
  
Monday mornin', it was all I hoped it would be  
But Monday mornin', Monday mornin' couldn't guarantee  
That Monday evenin' you would still be here with me  
  
Every other day, every other day,  
  
Every other day of the week is fine, yeah  
But whenever Monday comes, but whenever Monday comes  
You can find me cryin' all of the time  
Cryin' all of the time, cryin' all of the time

what are the lyrics to leave out all the rest by linkin park

MC

The lyrics to the song "Leave Out All the Rest" by Linkin Park are:

Verse 1:  
I dreamed I was missing  
You were so scared  
But no one would listen  
Cause no one else cared

Chorus:  
After my dreaming  
I woke with this fear  
What am I leaving  
When I'm done here

Verse 2:  
So if you're asking me  
I want you to know  
When my time comes  
Forget the wrong that I've done  
Help me leave behind some  
Reasons to be missed

Chorus:  
And don't resent me  
And when you're feeling empty  
Keep me in your memory  
Leave out all the rest  
Leave out all the rest

Bridge:  
Don't be afraid  
I've taken my beating  
I've shed but I'm me

Chorus:  
I'm strong on the surface  
Not all the way through  
I've never been perfect  
But neither have you

Verse 3:  
So if you're asking me  
I want you to know  
When my time comes  
Forget the wrong that I've done  
Help me leave behind some  
Reasons to be missed

Chorus:  
Don't resent me  
And when you're feeling empty

what are the lyrics to god only knows by the beach boys MC

The lyrics to 'God Only Knows' by The Beach Boys are:

I may not always love you  
But long as there are stars above you  
You never need to doubt it  
I'll make you so sure about it

God only knows what I'd be without you

If you should ever leave me  
Though life would still go on believe me  
The world could show nothing to me  
So what good would living do me

God only knows what I'd be without you

God only knows what I'd be without you

If you should ever leave me  
Well life would still go on believe me  
The world could show nothing to me  
So what good would living do me

    "completion": " Here are the lyrics to \"Coward of the County\" by Kenny
Rogers:\n\nEveryone considered him the coward of the county. \nHe'd never stood one single
time to prove the county wrong. \nHis mama named him Tommy, but folks just called him
yellow, \nSomething always told me they were reading Tommy wrong.\n\nHe was only ten years
old when his daddy died in prison. \nI looked after Tommy 'cause he was my brother's son.
\nI still recall the final words my brother said to Tommy: \n\n\"Son, my life is over, but
yours is just begun.\n\nPromise me, son, not to do the things I've done. \nWalk away from
trouble if you can. \nIt won't mean you're weak if you turn the other cheek. \nI hope you're
old enough to understand: \nSon, you don't have to fight to be a man.\" \n\nThere's someone
for everyone and Tommy's love was Becky. \nIn her arms he didn't have to prove he was a man.
\nOne day while he was workin' the Gatlin boys came callin'. \nThey took turns at Becky....
n' there were three of them!\n\nTommy opened up the door and saw his Becky cryin'. \nThe
torn dress, the shattered look was more than he could stand.\nHe reached above the fireplace
and took down his daddy's picture. \nAs his tears fell on his daddy's face, he heard these
words again:\n\n\"Promise me, son, not to do the things I've done. \nWalk away from trouble
if you can. \nIt won't mean you're weak if you turn the other cheek. \nI hope you're old
enough to understand: \nSon, you don't have to fight to be a man.\" \n\nThe Gatlin boys just
laughed at him when he walked into the barroom. \nOne of them got up and met him halfway
'cross the floor. \nWhen Tommy turned around they said, \"Hey look! Ol' Yellow's leavin'!\n
\nBut you coulda heard a pin drop when Tommy stopped and locked the door.\n\nTwenty years of
crawlin' were bottled up inside him.\nHe wasn't holdin' nothin' back; he let 'em have it
all.\nWhen Tommy left the barroom not a Gatlin boy was standin'.\nHe said, \"This one's for
Becky,\" as he watched the last one fall.\n\nAnd I heard him say, \"I promised you, Dad, not
to be like you. \nI walk away from trouble when I can. \nNow please don't think I'm weak, I
didn't turn the other cheek,\nAnd Papa, I should hope you understand: \nSometimes you gotta
fight when you're a man.\" \n\nEveryone considered him the coward of the county.",

what are the lyrics to daddy sang bass by johnny cash

MC

The lyrics to Johnny Cash's song 'Daddy Sang Bass' are:

Well, my daddy sang bass, mama sang tenor  
Me and little brother would join right in there  
Singing seems to help a troubled soul  
One of these days and it won't be long  
I'll rejoin them in a song  
I'm gonna join the family circle at the throne

Though the circle be broken by and by by and by  
Is a better home awaiting in the sky  
In the sky

Daddy sang bass, mama sang tenor  
Me and little brother would join right in there  
In the sky

Well I remember after work Mama would call  
She'd say come on everybody let's go for a drive  
We'd all pile in the Ford, we'd travel and sing  
We'd drive around the bend to see the sunset sink

And everything looks better looking through the windshield of that old Ford  
Daddy sang bass, mama sang tenor  
Me and little brother would join right in there In the sky

Life is short but sweet for certain, yeah  
We'll live on singing in the sky, that's for certain, yeah  
Home sweet home in the sky, that's for certain

Well, my daddy sang bass, mama sang tenor  
Me and little brother would join right in there  
Singing seems to help a troubled soul  
One of these days and it won't be long  
I'll rejoin them in a song  
I'm gonna join the family circle at the throne

what are the lyrics to this is war by 30 seconds to mars MC

The lyrics to This is War by 30 Seconds to Mars are:

A warning to the people,  
The good and the evil,  
This is war,  
To the soldier, the civilian,  
The martyr, the victim,  
This is war.

It's the moment of truth and the moment to lie,  
The moment to live and the moment to die,  
The moment to fight, the moment to fight,  
To fight, to fight, to fight!

To the right, To the left,  
We will fight to the death!  
To the edge of the earth,  
It's a brave new world,  
From the last to the first.

To the right, To the left,  
We will fight to the death!  
To the edge of the earth,  
It's a brave new world,  
It's a brave new world!

A warning to the prophet,  
The liar, the honest,  
This is war.  
To the leader, the pariah,  
The victor, the messiah,  
This is war.

It's the moment of truth and the moment to lie,  
The moment to live and the moment to die,  
The moment to fight, the moment to fight,  
To fight, to fight, to fight!

To the right, To the left,  
We will fight to the death!  
To the edge of the earth,  
It's a brave new world,  
From the last to the first.

To the right, To the left,  
We will fight to the death!  
To the edge of the earth,

It's a brave new world,  
It's a brave new world,  
It's a brave new world!

I do believe in the light.

what are the lyrics to dog days are over by florence and the machine

MC

The lyrics to Dog Days Are Over by Florence and the Machine are:

Happiness hit her like a train on a track  
Coming towards her stuck still no turning back  
She hid around corners and she hid under beds  
She killed it with kisses and from it she fled

With every bubble she sank with her drink  
And washed it away down the kitchen sink

The dog days are over  
The dog days are done  
The horses are coming  
So you better run

Run fast for your mother run fast for your father  
Run for your children for your sisters and brothers  
Leave all your love and your longing behind  
You can't carry it with you if you want to survive

The dog days are over  
The dog days are done  
Can you hear the horses  
'Cause here they come

And I never wanted anything from you  
Except everything you had and what was left after that too.  
Happiness hit her like a bullet in the back  
Struck from a great height by someone who should know better than that

The dog days are over  
The dog days are done  
Can you hear the horses  
'Cause here they come

Run fast for your mother and fast for your father  
Run for your children for your sisters and brothers  
Leave all your loving your loving behind  
You can't carry it with you if you want to survive

The dog days are over  
The dog days are done  
Can you hear the horses  
'Cause here they come

The dog days are over  
The dog days are done  
The horses are coming  
So you better run

thing \nWatch it fly by as the pendulum swings \nWatch it count down to the end of the day
\nThe clock ticks life away\n\nIt's so unreal \nDidn't look out below \nWatch the time go
right out the window \nTrying to hold on, but didn't even know \nWasted it all just to watch

inside and even though I tried, it all fell apart\nWhat it meant to me will eventually be a
memory of a time when I tried so hard\n\nAnd got so far \nBut in the end \nIt doesn't even
matter \nI had to fall \nTo lose it all \nBut in the end \nIt doesn't even matter\n\nI put
my trust in you \nPushed as far as I can go \nFor all this \nThere's only one thing you
should know \nI put my trust in you",

\nTwo hearts in one home \nIt's hard when we argue \nWe're both stubborn I know \nBut
oh\n\nSweet creature \nSweet creature \nWherever I go you bring me home \nSweet creature
\nSweet creature \nWhen I run out of road you bring me home\n\nI know when we started \nJust

from dreaming and put on his shoes \nStarted making his way past 2 in the morning \nHe
hasn't been sober for days\n\nLeaning out into the breeze \nRemembering Sunday, he falls to
his knees \nThey had breakfast together \nBut two eggs don't last \nLike the feeling of what
he needs\n\nNow this place seems familiar to him \nShe pulled on his hand with a devilish
grin \nShe led him upstairs, she led him upstairs \nLeft him dying to get in \n\nForgive me,
I'm trying to find \nMy calling, I'm calling at night \nI don't mean to be a bother, \nBut
have you seen this girl?\nShe's been running through my dreams \nAnd it's driving me crazy,
it seems \nI'm going to ask her to marry me\n\nEven though she doesn't believe in love
\nHe's determined to call her bluff \nWho could deny these butterflies? \nThey're filling
his gut\n\nWaking the neighbours, unfamiliar faces \nHe pleads though he tries \nBut he's
only denied \nNow he's dying to get inside\n\nForgive me, I'm trying to find \nMy calling,
I'm calling at night \nI don't mean to be a bother, \nBut have you seen this girl?\nShe's
been running through my dreams \nAnd it's driving me crazy, it seems \nI'm going to ask her
to marry me\n\nThe neighbours said she moved away \nFunny how it rained all day \nI didn't
think much of it then \nBut it's starting to all make sense \nOh, I can see now that all of
these clouds \nAre following me in my desperate endeavor \nTo find my whoever, wherever she
may be",

what are the lyrics to from the bottom of my broken heart by britney spears

MC

Here are the lyrics to "From the Bottom of My Broken Heart" by Britney Spears:

Never look back,  
we said,  
How was I to know I'd miss you so?  
Loneliness up ahead,  
emptiness behind,  
Where do I go?

And you didn't hear  
All my joy through my tears,  
All my hopes through my fears,  
Did you now, still I miss you somehow.

From the bottom of my broken heart,  
There's just a thing or two I'd like you to know,  
You were my first love, you were my true love,  
From the first kisses to the very last rose,  
From the bottom of my broken heart,  
Even through time may find me somebody new,  
You were my real love, I never knew love,  
'Til there was you,  
From the bottom of my broken heart.

"Baby," I said,  
"Please stay.  
Give our love a chance for one more day."  
We could have worked things out,  
Taking time is what love's all about.

But you put a dart  
Through my dreams, through my heart,  
And I'm back where I started again,  
Never thought it would end.

From the bottom of my broken heart,  
There's just a thing or two I'd like you to know,  
You were my first love, you were my true love,

From the first kisses to the very last rose,  
From the bottom of my broken heart,  
Even through time may find me somebody new,  
You were my real love, I never knew love,  
'Til there was you,  
From the bottom of my broken heart.

You promised yourself  
But to somebody else,  
And you made it so perfectly clear,  
Still I wish you were here.

are:\n\nMemories consume \nLike opening the wound \nI'm picking me apart again\n\nYou all
assume \nI'm safe here in my room \nUnless I try to start again\n\nI don't want to be the
one \nThe battles always choose \n'Cause inside I realize \nThat I'm the one confused\n\nI
don't know what's worth fighting for \nOr why I have to scream \nI don't know why I
instigate \nAnd say what I don't mean \nI don't know how I got this way \nI know it's not
alright \nSo I'm breaking the habit \nI'm breaking the habit \nTonight\n\nClutching my cure
\nI tightly lock the door \nI try to catch my breath again\n\nI hurt much more \nThan
anytime before \nI had no options left again\n\nI don't want to be the one \nThe battles

Cross:\n\nWell, it's not far down to paradise, at least it's not for me \nAnd if the wind is
right you can sail away and find tranquility\nOh, the canvas can do miracles, just you wait
and see.\nBelieve me.\n\nIt's not far to never-never land, no reason to pretend \nAnd if the
wind is right you can find the joy of innocence again\nOh, the canvas can do miracles, just
you wait and see.\nBelieve me.\n\nSailing takes me away to where I've always heard it could
be \nJust a dream and the wind to carry me \nAnd soon I will be free \n\nFantasy, it gets
the best of me \nWhen I'm sailing \nAll caught up in the reverie, every word is a symphony
\nWon't you believe me?\nIt's not far to never-never land, no reason to pretend \nAnd if the
wind is right you can find the joy of innocence again\nOh, the canvas can do miracles, just
you wait and see.\nBelieve me.\n\nSailing takes me away to where I've always heard it could
be\nJust a dream and the wind to carry me\nAnd soon I will be free\n\nWell it's not far back
to sanity, at least it's not for me\nAnd if the wind is right you can sail away and find
tranquility\nOh, the canvas can do miracles, just you wait and see. Believe me.\n\nSailing
takes me away to where I've always heard it could be\nJust a dream and the wind to carry
me\nAnd soon I will be free",

California\nI'm hoping it's going to come true \nBut there's not a lot I can do\n\nCould we
have kippers for breakfast \nMummy dear, Mummy dear\nThey got to have 'em in Texas \n'Cos
everyone's a millionaire\n\nI'm a winner, I'm a sinner \nDo you want my autograph \nI'm a
loser, what a joker \nI'm playing my jokes upon you \nWhile there's nothing better to

Here are the lyrics to The Safety Dance by Men Without Hats:

We can dance if we want to  
We can leave your friends behind  
Cause your friends don't dance and if they don't dance  
Well they're no friends of mine

I say, we can go where we want to  
A place where they will never find  
And we can act like we come from out of this world  
Leave the real one far behind

And we can dance  
Or sing  
We can go where we want to be  
We'll tear the night  
Asunder  
And redefine reality

And we can dance  
  
We can go where we want to  
The night is young and so am I  
And we can dress real neat from our hats to our feet  
And surprise 'em with a victory cry

I say we can act if we want to  
If we don't nobody will  
And you can act real rude and totally removed  
And I can act like an imbecile

And we can dance  
Or sing  
We can go where we want to be  
We'll tear the night  
Asunder  
And redefine reality

And we can dance  
Dance  
We can dance if we want to  
We can leave your friends behind  
Cause your friends don't dance and if they don't dance  
Well they're no friends of mine

I say we can dance, we can dance  
Everything out of control  
We can dance, we can dance  
We're doing it from wall to wall

what are the lyrics to american pie by don mclean

MC

The lyrics to the song American Pie by Don McLean are:

A long, long time ago...  
I can still remember  
How that music used to make me smile  
And I knew if I had my chance  
That I could make those people dance  
And maybe they'd be happy for a while

But February made me shiver  
With every paper I'd deliver.  
Bad news on the doorstep,  
I couldn't take one more step.

I can't remember if I cried  
When I read about his widowed bride,

But something touched me deep inside  
The day the music died.

[Chorus]  
So bye-bye, Miss American Pie.  
Drove my Chevy to the levee,  
But the levee was dry.  
And them good old boys were drinking whiskey and rye  
Singing, "This'll be the day that I die.  
"This'll be the day that I die."

Did you write the book of love,  
And do you have faith in God above,  
If the Bible tells you so?

Do you believe in rock 'n roll,  
Can music save your mortal soul,  
And can you teach me how to dance real slow?

Well, I know that you're in love with him  
'Cause I saw you dancin' in the gym.  
You both kicked off your shoes.  
Man, I dig those rhythm and blues.

I was a lonely teenage broncin' buck  
With a pink carnation and a pickup truck,

But I knew I was out of luck  
The day the music died.

[Chorus]  
Now for ten years we've been on our own

what are the lyrics to have a little faith in me by john hiatt MC

The lyrics to Have a Little Faith in Me by John Hiatt are:

When the road gets dark  
And you can no longer see  
Just let my love throw a spark  
And have a little faith in me

When the tears you cry  
Are all you can believe  
Just give these loving arms a try baby  
And have a little faith in me

Have a little faith in me  
Have a little faith in me  
Have a little faith in me  
Have a little faith in me

When your secret heart  
Cannot speak so easily  
Come here darling, from a whisper start  
And have a little faith in me

When your back's against the wall  
Just turn around and you will see  
I will catch your fall baby  
Just have a little faith in me

Have a little faith in me  
Have a little faith in me  
Have a little faith in me  
Have a little faith in me

I've been loving you for such a long, long time  
Expecting nothing in return  
Just for you to have a little faith in me

You see time, time is our friend  
'Cause for us there is no end  
All you gotta do is have a little faith in me

I will hold you up, I will hold you up  
Your love gives me strength enough  
Have a little faith in me

what are the lyrics to it's alright, ma (i'm only bleeding) by bob dylan

MC

Here are the lyrics to Bob Dylan's song "It's Alright, Ma (I'm Only Bleeding)":

Darkness at the break of noon  
Shadows even the silver spoon  
The handmade blade, the child's balloon  
Eclipses both the sun and moon  
To understand you know too soon  
There is no sense in trying.

Pointed threats, they bluff with scorn  
Suicide remarks are torn  
From the fool's gold mouthpiece the hollow horn  
Plays wasted words, proves to warn  
That he not busy being born is busy dying.

Temptation's page flies out the door  
You follow, find yourself at war  
Watch waterfalls of pity roar  
You feel to moan but unlike before  
You discover that you'd just be one more  
Person crying.

So don't fear if you hear  
A foreign sound to your ear  
It's alright, Ma, I'm only sighing.

As some warn victory, some downfall  
Private reasons great or small  
Can be seen in the eyes of those that call  
To make all that should be killed to crawl  
While others say don't hate nothing at all  
Except hatred.

Disillusioned words like bullets bark  
As human gods aim for their mark  
Make everything from toy guns that spark  
To flesh-colored Christs that glow in the dark  
It's easy to see without looking too far  
That not much is really sacred.

While preachers preach of evil fates  
Teachers teach that knowledge waits  
Can lead to hundred-dollar plates  
Goodness hides behind its gates  
But even the president of the United States  
Sometimes must have to stand naked.

It's alright, Ma, it's life, and life only.

what are the lyrics to fields of gold by sting MC

The lyrics to Fields of Gold by Sting are:

You'll remember me when the west wind moves  
Upon the fields of barley  
You'll forget the sun in his jealous sky  
As we walk in fields of gold

So she took her love  
For to gaze awhile  
Upon the fields of barley  
In his arms she fell as her hair came down  
Among the fields of gold

Will you stay with me, will you be my love  
Among the fields of barley?  
We'll forget the sun in his jealous sky  
As we lie in fields of gold

See the west wind move like a lover so  
Upon the fields of barley  
Feel her body rise when you kiss her mouth  
Among the fields of gold

I never made promises lightly  
And there have been some that I've broken  
But I swear in the days still left  
We'll walk in fields of gold  
We'll walk in fields of gold

Many years have passed since those summer days  
Among the fields of barley  
See the children run as the sun goes down  
Among the fields of gold

You'll remember me when the west wind moves  
Upon the fields of barley  
You can tell the sun in his jealous sky  
When we walked in fields of gold  
When we walked in fields of gold  
When we walked in fields of gold

what are the lyrics to shelter from the storm by bob dylan

MC

Here are the lyrics to Shelter from the Storm by Bob Dylan:

'Twas in another lifetime, one of toil and blood  
When blackness was a virtue and the road was full of mud  
I came in from the wilderness, a creature void of form  
"Come in," she said, "I'll give you shelter from the storm."

And if I pass this way again, you can rest assured  
I'll always do my best for her, on that I give my word  
In a world of steel-eyed death, and men who are fighting to be warm  
"Come in," she said, "I'll give you shelter from the storm."

Not a word was spoke between us, there was little risk involved  
Everything up to that point had been left unresolved  
Try imagining a place where it's always safe and warm  
"Come in," she said, "I'll give you shelter from the storm."

I was burned out from exhaustion, buried in the hail  
Poisoned in the bushes an' blown out on the trail  
Hunted like a crocodile, ravaged in the corn  
"Come in," she said, "I'll give you shelter from the storm."

Suddenly I turned around and she was standin' there  
With silver bracelets on her wrists and flowers in her hair  
She walked up to me so gracefully and took my crown of thorns  
"Come in," she said, "I'll give you shelter from the storm."

Now there's a wall between us, somethin' there's been lost  
I took too much for granted, got my signals crossed  
Just to think that it all began on a long-forgotten morn  
"Come in," she said, "I'll give you shelter from the storm."

Well, the deputy walks on hard nails and the preacher rides a mount  
But nothing really matters much, it's doom alone that counts  
And the one-eyed undertaker, he blows a futile horn  
"Come in," she said, "I'll give you shelter from the storm."

I've heard newborn babies wailin' like a mournin' dove  
And old men with broken teeth stranded without love  
Do I understand your question, man, is it hopeless and forlorn?  
"Come in," she said, "I'll give you shelter from the storm."

what are the lyrics to american girl by tom petty and the heartbreakers MC

Here are the lyrics to American Girl by Tom Petty and the Heartbreakers:

Well she was an American girl  
Raised on promises  
She couldn't help thinkin' that there  
Was a little more to life  
Somewhere else

After all it was a great big world  
With lots of places to run to  
Yeah, and if she had to die  
Tryin' she had one little promise  
She was gonna keep

Oh yeah, all right  
Take it easy baby  
Make it last all night  
She was an American girl

Well it was kind of cold that night  
She stood alone on her balcony  
She could hear the cars roll by  
Out on 441  
Like waves crashin' on the beach

And for one desperate moment there  
He crept back in her memory  
God it's so painful when something that's so close  
Is still so far out of reach

Oh yeah, all right  
Take it easy baby  
Make it last all night  
She was an American girl, an American girl

Well she was an American girl  
Raised on promises  
She couldn't help thinkin' that there  
Was a little more to life  
Somewhere else

Oh yeah, all right

what are the lyrics to thunder by imagine dragons

MC

The lyrics to the song Thunder by Imagine Dragons are:

Verse 1:  
Just a young gun with a quick fuse  
I was uptight, wanna let loose  
I was dreaming of bigger things  
And wanna leave my own life behind

Chorus:  
Not a yes sir, not a follower  
Fit the box, fit the mold  
Have a seat in the foyer, take a number  
I was lightning before the thunder

Verse 2:  
Thunder, thunder  
Thunder, thun-, thunder  
Thun-, thunder, thunder, thunder

Chorus:  
I was lightning before the thunder  
Thunder, thunder  
Thunder, thun-, thunder

Thun-, thunder, thunder

Bridge:  
Kids were laughing in my classes  
While I was scheming for the masses  
Who do you think you are?  
Dreaming 'bout being a big star

Chorus:  
You say you're basic, you say you're easy  
You're always riding in the back seat  
Now I'm smiling from the stage while  
You were clapping in the nose bleeds

Verse 3:  
Thunder, thunder  
Thunder, thun-, thunder

Thun-, thunder, thunder

Chorus:  
I was lightning before the thunder  
Thunder, thunder  
Thunder, thun-, thunder

Thun-, thunder, thunder  
Thunder, thunder  
Thunder

what are the lyrics to it's all over now, baby blue by bob dylan

MC

The lyrics to Bob Dylan's song "It's All Over Now, Baby Blue" are:

You must leave now, take what you need, you think will last.  
But whatever you wish to keep, you better grab it fast.  
Yonder stands your orphan with his gun,  
Crying like a fire in the sun.  
Look out the saints are comin' through  
And it's all over now, Baby Blue.

The highway is for gamblers, better use your sense.  
Take what you have gathered from coincidence.  
The empty-handed painter from your streets  
Is drawing crazy patterns on your sheets.  
This sky, too, is folding under you  
And it's all over now, Baby Blue.

All your seasick sailors, they are rowing home.  
All your reindeer armies, are all going home.  
The lover who just walked out your door  
Has taken all his blankets from the floor.  
The carpet, too, is moving under you  
And it's all over now, Baby Blue.

Leave your stepping stones behind, something calls for you.  
Forget the dead you've left, they will not follow you.  
The vagabond who's rapping at your door  
Is standing in the clothes that you once wore.  
Strike another match, go start anew  
And it's all over now, Baby Blue.

what are the lyrics to back at one by brian mcknight

MC

Here are the lyrics to the song Back at One by Brian McKnight:

Verse 1:  
It's undeniable that we should be together  
It's unbelievable how I used to say that I'd fall never  
The basis is need to know, if you don't know just how I feel  
Then let me show you now that I'm for real  
If all things in time, time will reveal

Chorus:  
Yeah, one, you're like a dream come true  
Two, just wanna be with you  
Three, girl it's plain to see that you're the only one for me  
Four, repeat steps one through three  
Five, make you fall in love with me  
If ever I believe my work is done, then I'll start back at one (yeah)

Verse 2:  
It's so incredible, the way things work themselves out  
And all emotional, once you know what it's all about, hey  
And undesirable for us to be apart  
Never would of made it very far  
Cause you know that you got the keys to my heart

(Repeat Chorus)

Bridge:  
'Cause you know that you got the keys to my heart  
'Cause you know that you got the keys to my heart

(Repeat Chorus)

Outro:  
One, you're like a dream come true  
Two, just wanna be with you  
Three, girl it's plain to see that you're the only one for me  
Four, repeat steps one through three  
Five, make you fall in love with me  
If ever I believe my work is done, then I'll start back at one

what are the lyrics to joy to the world by three dog night

MC

The lyrics to the song 'Joy to the World' by Three Dog Night are:

Jeremiah was a bullfrog  
Was a good friend of mine  
I never understood a single word he said  
But I helped him a-drink his wine  
And he always had some mighty fine wine

Singin' joy to the world  
All the boys and girls now  
Joy to the fishes in the deep blue sea  
Joy to you and me

If I were the king of the world  
Tell you what I'd do  
I'd throw away the cars and the bars and the war  
Make sweet love to you  
Joy to the world  
All the boys and girls  
Joy to the fishes in the deep blue sea  
Joy to you and me

You know I love the ladies  
Love to have my fun  
I'm a high life flyer and a rainbow rider  
A straight shootin' son-of-a-gun  
I said a straight shootin' son-of-a-gun

Joy to the world  
All the boys and girls  
Joy to the fishes in the deep blue sea  
Joy to you and me

Joy to the world  
All the boys and girls  
Joy to the world  
Joy to you and me  
Joy to the world  
All the boys and girls  
Joy to the fishes in the deep blue sea  
Joy to you and me

what are the lyrics to a beautiful lie by 30 seconds to mars MC

Here are the lyrics to A Beautiful Lie by 30 Seconds to Mars:

Lie awake in bed at night  
And think about your life  
Do you want to be different?

Try to let go of the truth  
The battles of your youth  
'Cause this is just a game

It's a beautiful lie  
It's the perfect denial  
Such a beautiful lie to believe in  
So beautiful, beautiful it makes me

It's time to forget about the past  
To wash away what happened last  
Hide behind an empty face

Don't ask too many questions  
Forget about your suggestions  
'Cause this is just a game

It's a beautiful lie  
It's the perfect denial

Such a beautiful lie to believe in  
So beautiful, beautiful it makes me

Everyone's looking at me  
I'm running around in circles, baby  
A quiet desperation's building higher  
I've got to remember this is just a game

(Repeat Chorus)

This is just a game, it's a beautiful lie  
Beautiful, beautiful, it makes me  
Beautiful, beautiful, oh, it's a beautiful lie  
Beautiful, beautiful life

what are the lyrics to it's time by imagine dragons

MC

The lyrics to the song "It's Time" by Imagine Dragons are:

So this is what you meant  
When you said that you were spent  
And now it's time to build from the bottom of the pit  
Right to the top  
Don't hold back  
Packing my bags and giving the academy a rain check

I don't ever wanna let you down  
I don't ever wanna leave this town  
'Cause after all  
This city never sleeps at night

It's time to begin, isn't it?  
I get a little bit bigger but then I'll admit  
I'm just the same as I was  
Now don't you understand  
That I'm never changing who I am

So this is where you fell  
And I am left to sell  
The path to heaven runs through miles of clouded hell  
Right to the top  
Don't look back  
Turning the rags and giving the commodities a rain check

I don't ever wanna let you down  
I don't ever wanna leave this town  
'Cause after all  
This city never sleeps at night

It's time to begin, isn't it?  
I get a little bit bigger but then I'll admit  
I'm just the same as I was  
Now don't you understand  
That I'm never changing who I am

It's time to begin, isn't it?  
I get a little bit bigger but then I'll admit  
I'm just the same as I was  
Now don't you understand  
That I'm never changing who I am

This road never looked so lonely  
This house doesn't burn down slowly  
To ashes, to ashes

what are the lyrics to don't cry for me argentina by madonna MC

The lyrics to Don't Cry for Me Argentina by Madonna are:

It won't be easy, you'll think it strange  
When I try to explain how I feel  
That I still need your love after all that I've done

You won't believe me, all you will see is a girl you once knew  
Although she's dressed up to the nines

At sixes and sevens with you

I had to let it happen, I had to change  
Couldn't stay all my life down at heel  
Looking out of the window, staying out of the sun

So I chose freedom, running around trying everything new  
But nothing impressed me at all I never expected it to

Don't cry for me Argentina  
The truth is I never left you  
All through my wild days, my mad existence  
I kept my promise, don't keep your distance

Have I said too much, there's nothing more I can think of to say to you  
But all you have to do is look at me to know that every word is true

Don't cry for me Argentina  
The truth is I never left you  
All through my wild days, my mad existence  
I kept my promise, don't keep your distance

Don't cry for me Argentina

what are the lyrics to like a rolling stone by bob dylan

MC

The lyrics to Like A Rolling Stone by Bob Dylan are:

Once upon a time you dressed so fine  
Threw the bums a dime in your prime, didn't you?  
People'd call, say, 'Beware doll, you're bound to fall'  
You thought they were all kiddin' you

You used to laugh about  
Everybody that was hangin' out  
Now you don't talk so loud  
Now you don't seem so proud  
About having to be scrounging around for your next meal

How does it feel  
How does it feel  
To be on your own  
With no direction home  
Like a complete unknown  
Like a rolling stone?

You've gone to the finest school all right  
Miss Lonely but you know you only used to get juiced in it  
And nobody ever taught you how to live out on the street  
And now you're gonna have to get used to it

You said you'd never compromise  
With the mystery tramp, but now you realize  
He's not selling any alibis  
As you stare into the vacuum of his eyes  
And ask him do you want to make a deal?

How does it feel...

You never turned around to see the frowns  
On the jugglers and the clowns when they all did tricks for you  
You never understood that it ain't no good  
You shouldn't let other people get your kicks for you

You used to ride on the chrome horse with your diplomat  
Who carried on his shoulder a Siamese cat  
Ain't it hard when you discover that  
He really wasn't where it's at  
After he took from you everything he could steal.

How does it feel...

Like a rolling stone.

what are the lyrics to she believes in me by kenny rogers

MC

The lyrics to 'She Believes In Me' by Kenny Rogers are:

While she lays sleeping  
I stay out late at night and play my songs  
And sometimes all the nights can be so long  
And it's good when I finally make it home, all alone  
While she lays dreaming  
I try to get undressed without the light  
And quietly she says how was your night  
And I come to her and say, it was all right  
And I hold her tight  
And she believes in me  
I'll never know just what she sees in me  
I told her someday if she was my girl  
I could change the world with my little songs  
I was wrong  
But she has faith in me  
And so I go on trying faithfully  
And who knows maybe on some special night  
If my song is right I will find a way, find a way

While she lays waiting  
I stumble to the kitchen for a beer  
I find the light, and holding me so near  
And sweetly she says it's alright I'm here  
And I hold her tight  
And she believes in me  
I'll never know just what she sees in me  
I told her someday if she was my girl  
I could change the world with my little songs  
I was wrong  
But she has faith in me  
And so I go on trying faithfully  
And who knows maybe on some special night  
If my song is right I will find a way, while she waits

While she lays sleeping  
I stay out late at night and play my songs

what are the lyrics to englishman in new york by sting

MC

The lyrics to Englishman in New York by Sting are:

I don't drink coffee I take tea my dear  
I like my toast done on one side  
And you can hear it in my accent when I talk  
I'm an Englishman in New York

See me walking down Fifth Avenue  
A walking cane here at my side  
I take it everywhere I walk  
I'm an Englishman in New York

I'm an alien I'm a legal alien  
I'm an Englishman in New York

I'm an alien I'm a legal alien  
I'm an Englishman in New York

If "manners maketh man" as someone said  
Then he's the hero of the day  
It takes a man to suffer ignorance and smile  
Be yourself no matter what they say

I'm an alien I'm a legal alien  
I'm an Englishman in New York

I'm an alien I'm a legal alien  
I'm an Englishman in New York

Modesty, propriety can lead to notoriety  
You could end up as the only one  
Gentleness, sobriety are rare in this society  
At night a candle's brighter than the sun

Takes more than combat gear to make a man  
Takes more than a license for a gun  
Confront your enemies, avoid them when you can  
A gentleman will walk but never run

If "manners maketh man" as someone said  
Then he's the hero of the day  
It takes a man to suffer ignorance and smile  
Be yourself no matter what they say

Be yourself no matter what they say

I'm an alien I'm a legal alien  
I'm an Englishman in New York  
I'm an alien I'm a legal alien  
I'm an Englishman in New York

inside \nSteadily \nEveryone feels so far away from me \nHeavy thoughts forcing their way
\nOut of me \nTrying not to break \nBut I'm so tired of this deceit\n\nEvery time I try to
make myself \nGet back up on my feet \nAll I ever think about is this \nAll the tiring time
between \nAnd how trying to put my trust in you \nJust takes so much out of me\n\nTake
everything from the inside \nAnd throw it all away \n'Cause I swear for the last time \nI
won't trust myself with you\n\nI won't waste myself on you \nYou \nYou\n\nEvery time I try
to make myself \nGet back up on my feet \nAll I ever think about is this \nAll the tiring
time between \nAnd how trying to put my trust in you",

what are the lyrics to the cave by mumford and sons

MC

The lyrics to The Cave by Mumford & Sons are:

It's empty in the valley of your heart  
The sun, it rises slowly as you walk  
Away from all the fears  
And all the faults you've left behind

The harvest left no food for you to eat  
You cannibal, you meat-eater, you see  
But I have seen the same  
I know the shame in your defeat

But I will hold on hope  
And I won't let you choke  
On the noose around your neck  
And I'll find strength in pain  
And I will change my ways  
I'll know my name as it's called again

'Cause I have other things to fill my time  
You take what is yours and I'll take mine  
Now let me at the truth  
Which will refresh my broken mind

So tie me to a post and block my ears  
I can see widows and orphans through my tears  
I know my call despite my faults  
And despite my growing fears

But I will hold on hope  
And I won't let you choke  
On the noose around your neck  
And I'll find strength in pain  
And I will change my ways  
I'll know my name as it's called again

So come out of your cave walking on your hands  
And see the world hanging upside down  
You can understand dependence  
When you know the maker's hand

So make your siren's call  
And sing all you want  
I will not hear what you have to say

'Cause I need freedom now  
And I need to know how  
To live my life as it's meant to be

And I will hold on hope  
And I won't let you choke  
On the noose around your neck  
And I'll find strength in pain

what are the lyrics to grandma's hands by al jarreau

MC

Here are the lyrics to the song 'Grandma's Hands' by Al Jarreau:

Grandma's hands  
Clapped in church on Sunday morning  
Grandma's hands  
Played a tambourine so well  
Grandma's hands  
Used to issue out a warning  
She'd say, "Billy don't you run so fast  
Might fall on a piece of glass  
"Might be snakes there in that grass"

Grandma's hands  
Soothed a local unwed mother  
Grandma's hands  
Used to ache and swell  
Grandma's hands  
Used to lift her face and tell her,  
She'd say "Baby, Grandma understands  
That you really love that man  
Put yourself in Jesus' hands"

Grandma's hands  
Used to hand me piece of candy  
Grandma's hands  
Picked me up each time I fell  
Grandma's hands  
Boy, they really came in handy  
She'd say, "Matty don' you whip that boy  
What you want to spank him for?  
He didn't drop no apple core"

But I don't have Grandma anymore  
What I'd give to see her face  
To hear her voice again  
To feel her warm embrace  
Grandma's gone to glory  
But I'll meet her there some day

I'll never forget  
Grandma's hands

what are the lyrics to swing, swing by the all American rejects

MC

Here are the lyrics to the song "Swing, Swing" by The All-American Rejects:

Days swiftly come and go  
I'm dreaming of her  
She's seeing other guys  
Emotions they stir  
The sun is gone  
The nights are long  
And I am left while the tears fall

Did you think that I would cry  
On the phone?  
Do you know what it feels like,  
Being alone?  
I'll find someone new

Swing, swing, swing  
From the tangles of  
My heart is crushed by a former love  
Can you help me find a way  
To carry on again?

Wish cast into the sky  
I'm moving on  
Sweet beginnings do arise  
She knows I was wrong  
The notes are old  
They bend, they fold  
And so do I to a new love

Did you think that I would cry  
On the phone?  
Do you know what it feels like,  
Being alone?  
I'll find someone new

Swing, swing, swing  
From the tangles of  
My heart is crushed by a former love  
Can you help me find a way  
To carry on again?

Swing, swing, swing  
From the tangles of  
My heart is crushed by a former love  
Can you help me find a way  
To carry on again?

what are the lyrics to san francisco be sure to wear flowers in your hair by scott mckenzie

MC

The lyrics to the song 'San Francisco (Be Sure to Wear Flowers in Your Hair)' by Scott McKenzie are:

If you're going to San Francisco  
Be sure to wear some flowers in your hair  
If you're going to San Francisco  
You're gonna meet some gentle people there

For those who come to San Francisco  
Summertime will be a love-in there  
In the streets of San Francisco  
Gentle people with flowers in their hair

All across the nation such a strange vibration  
People in motion  
There's a whole generation with a new explanation  
People in motion people in motion

For those who come to San Francisco  
Be sure to wear some flowers in your hair  
If you come to San Francisco  
Summertime will be a love-in there

If you come to San Francisco  
Summertime will be a love-in there

what are the lyrics to gypsys, tramps and thieves by cher

MC

The lyrics to Gypsys, Tramps and Thieves by Cher are:

Gypsys, tramps and thieves  
We were born to be together  
Leave 'em all behind  
Runnin' side by side  
Gypsys, tramps and thieves

I was born in the wagon of a travelin' show  
My mama used to dance for the money they'd throw  
Papa would do whatever he could  
Preach a little gospel  
Sell a couple bottles of Doctor Good

Gypsys, tramps and thieves  
We'd hear it from the people of the town  
They'd call us  
Gypsys, tramps and thieves  
But every night all the men would come around  
And lay their money down

Picked up a boy just south of Mobile  
Gave him a ride, filled him with a hot meal  
I was sixteen, he was twenty-one  
Rode with us to Memphis  
Left him there on the run

Gypsys, tramps and thieves  
We're born to be together  
Leave 'em all behind  
Runnin' side by side  
Oh, you and me  
Gypsys, tramps and thieves

Never had schoolin' but he taught me well  
With his smooth southern style  
Three months later I'm a gal in trouble  
And I haven't seen him for a while, uh-huh

I haven't seen him for a while, uh-huh

She was born in the wagon of a travellin' show  
Her mama had to dance for the money they'd throw  
Grandpa'd do whatever he could  
Preach a little gospel  
Sell a couple bottles of Doctor Good

Gypsys, tramps and thieves  
We hear it from the people of the town

lightness has a call that's hard to hear \nI wrap my fear around me like a blanket \nI
sailed my ship of safety till I sank it, I'm crawling on your shore.\n\nI went to the

philosophy \nWith a poster of Rasputin and a beard down to his knee \nHe never did marry or
see a B-grade movie \nHe graded my performance, he said he could see through me \nI spent
four years prostrate to the higher mind \nGot my paper and I was free.\n\nI went to the

by the bar at 3 A.M. \nTo seek solace in a bottle or possibly a friend \nI woke up with a

went in seeking clarity.\n\nI went to the doctor, I went to the mountains \nI looked to the

what are the lyrics to you are not alone by michael jackson

MC

The lyrics to You Are Not Alone by Michael Jackson are:

Another day has gone  
I'm still all alone  
How could this be  
You're not here with me  
You never said goodbye  
Someone tell me why  
Did you have to go  
And leave my world so cold

Everyday I sit and ask myself  
How did love slip away  
Something whispers in my ear and says  
That you are not alone  
I am here with you  
Though you're far away  
I am here to stay

You are not alone  
I am here with you  
Though we're far apart  
You're always in my heart  
You are not alone

'Lone, 'lone  
Why, 'lone

Just the other night  
I thought I heard you cry  
Asking me to come  
And hold you in my arms  
I can hear your prayers  
Your burdens I will bear  
But first I need your hand  
Then forever can begin

Everyday I sit and ask myself  
How did love slip away

Something whispers in my ear and says  
That you are not alone  
I am here with you  
Though you're far away  
I am here to stay

You are not alone  
I am here with you  
Though we're far apart  
You're always in my heart  
You are not alone

what are the lyrics to kryptonite by 3 doors down

MC

The lyrics to Kryptonite by 3 Doors Down are:

Well I took a walk around the world  
To ease my troubled mind  
I left my body lying somewhere  
In the sands of time  
I watched the world float  
To the dark side of the moon  
I feel there's nothing I can do, yeah

I watched the world float  
To the dark side of the moon  
After all I knew it had to be  
Something to do with you  
I really don't mind what happens now and then  
As long as you'll be my friend at the end

If I go crazy then will you still  
Call me Superman  
If I'm alive and well  
Will you be there holding my hand  
I'll keep you by my side  
With my superhuman might  
Kryptonite

You called me strong, you called me weak  
But your secrets I will keep  
You took for granted all the times  
I never let you down  
You stumbled in and bumped your head  
If not for me then you'd be dead  
I picked you up and put you back  
On solid ground

If I go crazy then will you still  
Call me Superman

If I'm alive and well,  
Will you be there holding my hand  
I'll keep you by my side  
With my superhuman might  
Kryptonite

If I go crazy then will you still  
Call me Superman  
If I'm alive and well,

Will you be there holding my hand  
I'll keep you by my side  
With my superhuman might  
Kryptonite

what are the lyrics to i don't know how to love him by petula clark MC

The lyrics to the song 'I Don't Know How to Love Him' by Petula Clark are:

I don't know how to love him,  
What to do, how to move him.  
I've been changed, yes really changed.  
In these past few days, when I've seen myself,  
I seem like someone else.

I don't know how to take this,  
I don't see why he moves me.  
He's a man, he's just a man.  
And I've had so many men before,  
In very many ways,  
He's just one more.

Should I bring him down,  
Should I scream and shout?  
Should I speak of love,  
Let my feelings out?  
I never thought I'd come to this,  
What's it all about?

Don't you think it's rather funny,  
I should be in this position.  
I'm the one who's always been  
So calm, so cool, no lover's fool,  
Running every show.  
He scares me so.

I never thought I'd come to this,  
What's it all about?  
Yet, if he said he loved me,  
I'd be lost, I'd be frightened.  
I couldn't cope, just couldn't cope.  
I'd turn my head, I'd back away,  
I wouldn't want to know.  
He scares me so,  
I want him so,  
I love him so.

what are the lyrics to i bet my life by imagine dragons

MC

The lyrics to the song 'I Bet My Life' by Imagine Dragons are:

Verse 1:  
I know I took the path that you would never want for me  
I know I let you down, didn't I?  
So many sleepless nights where you were waiting up on me  
Well I'm just a slave unto the night

Chorus:  
Now remember when I told you that's the last you'll see of me  
Remember when I broke you down to tears  
I know I took the path that you would never want for me  
I gave you hell through all the years

Verse 2:  
So I, I bet my life, I bet my life  
I bet my life on you  
I, I bet my life, I bet my life  
I bet my life on you

Chorus:  
I've been around the world and never in my wildest dreams  
Would I come running home to you  
I've told a million lies but now I tell a single truth  
There's you in everything I do

Verse 3:  
Now remember when I told you that's the last you'll see of me  
Remember when I broke you down to tears  
I know I took the path that you would never want for me  
I gave you hell through all the years

Chorus:  
So I, I bet my life, I bet my life  
I bet my life on you  
I, I bet my life, I bet my life  
I bet my life on you

Bridge:  
Don't tell me that I'm wrong  
I've walked that road before  
I left you on your own  
And please believe them when they say  
That it's left for yesterday  
And the records that I've played  
Please forgive me for the smile on my face  
I bet my life  
I bet my life on you

Chorus:  
I, I bet my life, I bet my life  
I bet my life on you  
I, I bet my life, I bet my life  
I bet my life on you

let you know \nI think about you every night \nWhen I'm here alone \nAnd you're there at
home \n\nHello again, hello \nJust called to say I miss you \nHello, I know it's been a
while \nDidn't mean to make you cry \nI still think about you time to time \nBut life goes
by so fast \nIt's good to hear your voice \nWe got so close then we lost touch \nNow where
are you are you somewhere missing me \n'Cause I'm still missing you \n\nHello again, hello
\nJust called to say hello \nI couldn't sleep at all tonight \nAnd I know it's late \nBut I
couldn't wait \n\nTo tell you that I think about you \nWhen the night is here \nWith no one
near and the moon shines through \nI think about you \n'Cause I still miss you.",

    peekin' out from under a stairway \nCalling a name that's lighter than air \nWho's bending

    the city \nSmilin' at everybody she sees\nWho's reachin' out to capture a moment\nEveryone
